Re: *United States v. Cliver Antonio Alcala Cordones*, S2 11 Cr. 205 (AKH)

Dear Judge Hellerstein:

On January 28, 2022, Cliver Antonio Alcala Cordones, the defendant in the above-captioned case, filed certain motions. The defendant's motions were originally due on January 21, 2022, but on that date, the Court granted the defendant's request for a one-week adjournment.

The Government respectfully requests a concomitant one-week adjournment of the deadline for its opposition to the defendant's motions, which is currently due on February 4, 2022. Granting the requested adjournment will ensure that the Government has two weeks to respond to the defendant's motions, which is what the Court originally intended when it set the motions schedule. The defendant does not object to the Government's requested extension.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
